

Merit Badge Fair 2004 Leader's Guide

Session I: February 28

Session II: March 13

Purpose

This program is presented by the Doug-Fir District to assist boys in Scouting Units to meet merit badge counselors and introduce them to the merit badge process.

Earning merit badges gives a Scout the kind of self-confidence that comes from overcoming obstacles to achieve a goal. Through the merit badge program, a Scout also learns career skills, develops socially, and may develop physical skills and hobbies that give a lifetime of healthful recreation.

Please use the following information to help the Scouts in your Troops and Teams in preparing for and going to this great event

Location / Times

The program is broken down into two sessions. This is to provide the boy and counselor an opportunity to follow up on the merit badge work. Each session will be held at the LDS Church at **2001 W. Bertha St. in Roseburg**, on the hill off of Harvard, unless a class is specified to be held elsewhere.

Session I: February 28

Session II: March 13

Classes are scheduled with a start time between 9 am and 4 pm. Please refer to the schedule in the back of this guide for individual times.

Process

Scout Leaders begin promoting this event to the boys soon after the February Roundtable. Please use the checklist provided in this guide to help in this endeavor.

Once the boys determine what badges they want to work towards, the Unit Leader must approve by signing a Merit Badge Application. This is then presented it to the merit badge counselor at the first session. **NOTE:** No boy may begin a merit badge without this application.

Once the boy is approved, he may sign up for the badges by emailing the fair chairman, Curt Pedersen, at pedersen@rosenet.net. Curt will then email back a

confirmation. It is recommended that alternative badges be selected in the event that the boy's first choice is unavailable due to a full session.

The boys will attend the first session and meet his counselors. He will be expected to do all the work to complete the badge. This work may be required between sessions I and II.

If the work is not completed during the course of the fair, the boy will be responsible for maintaining contact with the counselor to finish the work.

Once the badge is completed, the counselor will present the boy with the completed application. The boy will then turn the application over to his unit leaders so the award can be purchased and presented at the next Court of Honor.
